LOCKE OR SCHAPER. A taste of blood makes the wolf ravsnous for more, and a taste of office converts placemen into office-seeking gormands. Jefferson, in speaking of the greed of office-bolders, said, "None resign, and few die. It Let one get hold of the public test, and he holds on with the tenacity of a turtle. This is illustrated in the cupidity of Felix Robert-

son. Four years ago he was nominated by a convention, and elected. C. G. L cke confially supported him. Two years ago Mr. Robertson was again a candidate, and he found an enthusiastic nate comrade, C. G. Locke, Mr. of city tax-collector is a profitable one. it. A few weeks since the people of for city tax-collector. Instead

of gracefully retiring and giving that support to his one-armed friend, which his one-armed friend had given him, Mr. Robertson announces himself an independent candidate, thus repudiating the voice of the people in convention, and putting himself in the attitude of the creature ignoring its creator. Felix Robertson has had his share of public sympathy and spoils, and he should divest himself of all selfishness, and generously and magnanimously give way to his unfortunate the relations of life. The people seem to be impressed with this spirit of justice, and hence they are rallying to the other was placed there by himself; by that greediness and lust for office now hidden in the unopened office four years, and which induces him and extending plains, of the southern people do not view the matter in this light, and are rallying to the support of will be the grand substratum of our rall-

his duty between two such men.

THE MEMPHIS DICTATOR. The fountains of Barbour Lewis's elc- the way of public lands, but there is, el that he is not to deluge our city for forty company. The construction of the road He interminable blather. He comes all the way from Washington City to dictate to the freemen of Memphis how they shall vote in the election next Thursday. He will learn by the result that the people the company, would secure the government extended to the company, based on a first-mortgage on its lands, including the line, franchise and other property of the company, would secure the government extended to the company, had burning cotton, he was reduced to poverty, but through his long eventful life he was always the same christian gentleman." of Memphis are not his slaves, and that ment beyond peradventure. Surely this he is not their master. This loan, this assistance should be gratted minutes to twelve o'clock to-day, Mr. is an election involving no party by congress. The south is entitled to Charles Stetson, an old and highly-reding. When the office-seekers discover-ed that a large number of colored voters they will discharge a patriotic duty, bewere going for Busby, they telegraph- cause we are convinced that such a road tingo, ed for Lewis. He comes from Wash- will not only benefit the south, but be a A BOAT STEERED BY A CORPSE. ington, with whip in hand, to lash Irish-safeguard to the government and a men and colored men, late the traces of source of wealth and strength to the Frem the Detroit Free Press. his party. But he will find that these whole nation. citizens are men, with intelligence enough to cast their votes for the public good, without the dictation of any one. If it be true, as Judge Lewis and his opening up a new field of labor which the beach and about half a mile away.

Judge Lewis has to do is to remain in Washington and issue to his dependent servitors his decrees and mandates. legal process, and we are told that alservitors his decrees and mandates. It is not true that Judge Lewis has been sent here by President Grant for the purpose of securing a Radical triumph. The President of the year now drawing to a close. Now, this is a very commendable able movement in the granges, but we are inclined to think the world has not sunk so low as to interfere in all the municipal elections throughout the country. It is bad enough or the country as a paid to the yawh, are inclined to the manner during the men found the yawh hard on the beach, and the man sitting stiff and motionless in her stern, lifeless, and frozen as hard as a rock. He sat bolt upright on the seat, the oar out behind, and both hands clasping the handle, and it required hard work to wrench it from his death-grip. There was about a foot of water in the boat, but the craft did not show rough usage. The man's legs were almost covered with ice as far up as his knees, and the spray had dashed for even a member of congress to inter- or the courts is a principle of the chrisfor even a member of congress to inter-fere in such contests, but it is contempti-tian faith. Christ, in his sermon on the there. There was no name on the boat, ble, shameful and scandalous for the President of the United States to engage in such petty squabbles. According to his own showing, then the case was to be submitted "to be showing to his own showing, then the case was to be submitted "to be submitted to be subm Barbour Lewis comes from Washington Barbour Lewis comes from Washington as a political overseer and drill-master, to whip into the traces men who propose to exercise the prerogative of vot-

ing for the man whose election involves no political question, and will best promote the material interests of themselves and the city. Will freemen
abandon their convictions of duty, and vote for Loague for fear of provoking a enacted statutes prescribing a certain be pulled off. frown from the beetle-brow of his majesty, Honorable Barbour Lewis, the mitted to arbitrations, and, indeed, the dictator and autocrat of Memphis? custom of so submitting, for adjustment.
